# STORM WATER FORUM JANUARY 16, 2008

The third biennial Stormwater Forum is January 16, 2008. This all day seminar provides information and tools to help you comply with storm-water regulations. Topics include: erosion control BMPs, state and local regulatory updates, and proper BMP installation and maintenance. The program is targeted to Engineers, Developers, and Contractors. PDH's are available for the seminar.

**The Forum is FREE and includes lunch and parking!**

Register by mailing the attached form or by calling the City of Urbana at (217) 384-2316. Alternately, you may email your name, company, phone number, email address and fax number to:

[bmbennett@city.urbana.il.us](mailto:bmbennett@city.urbana.il.us).

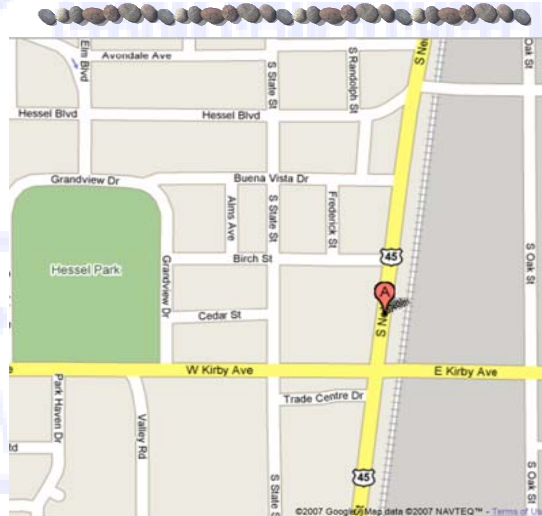

The Forum is sponsored by the Municipal Storm Water Communities (Cities of Champaign and Urbana, Village of Savoy, Champaign County, and the University of Illinois) with contributions from area vendors.

Lunch served by the:

Presenters to include:

**Dennis Schmidt**, City of Champaign  
**Bill Gray**, City of Urbana  
**Frank Rentschler**, Village of Savoy  
**Jack Dempsey**, University of Illinois  
**Brad Bennett**, City of Urbana  
**Alex Nagy**, City of Champaign  
**Greg Kacvinsky**, Clark Dietz  
**Roger Bannerman**, Wisconsin DNR  
**Steve Meid**, Central Illinois Home Builders Association  
**Mike Bierbaum**, Clark County Supply  
**Shannon Allen**, Macon County SWCD
