

Tuesday, September 17, 2013
8:00 a.m. – 3:30 p.m.
iHotel Conference Center

Green Infrastructure Conference

Sponsored by the MS4 Stormwater Technical Committee including the University of Illinois at Urbana-Champaign, City of Champaign, City of Urbana, Village of Savoy, Champaign County, Prairie Rivers Network and Champaign County Soil and Water Conservation District

Keynote Speaker: Marcus de la fleur

Marcus de la fleur is a vanguard in the application of green technologies to the commercial, public, and private landscape. He earned his Horticultural Diploma from the Royal Botanic Gardens at Kew and a Masters in Landscape Architecture from the University of Sheffield, U.K.

A contributor to sustainable projects in Germany, Switzerland, Great Britain, and the United States, he currently practices in Chicago as the principle to his own Landscape Architecture firm, de la fleur, LLC. An active speaker passionate about linking education and the making of better landscapes, he's also led Morton Arboretum's Collections Master Plan and authored/ coauthored multiple articles for Landscape and Urban Planning, Public Garden, and Landscape Design magazines.
